# Teachers, Students Strive for Common Goal

Of all the different people walking the halls of DHS there is a certain group that goes without explanation. These people don't belong to a clique or a crowd. They do their own thing: each person is unique in his own way. These people are the teachers, the secretaries and the administrators of our school. They're essential to the smooth operation of DHS.

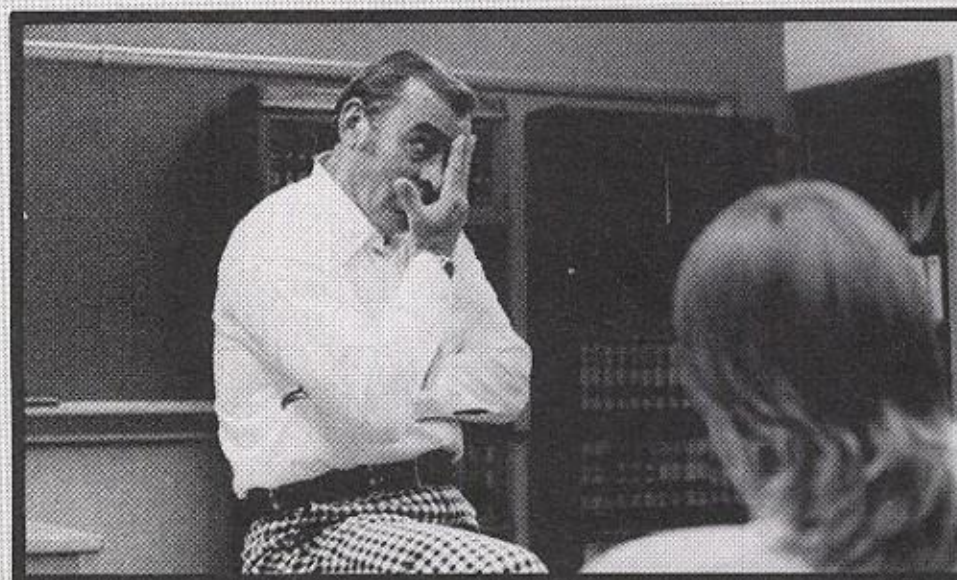

Just think what trouble we'd be in without someone to sell us football tickets, to tell us where what's-his-name is during which period, to help with transcripts, to tell us what hall to walk down, even to answer the phone. What about those who sew up ripped pants or mend a button that's come off a shirt? . . .

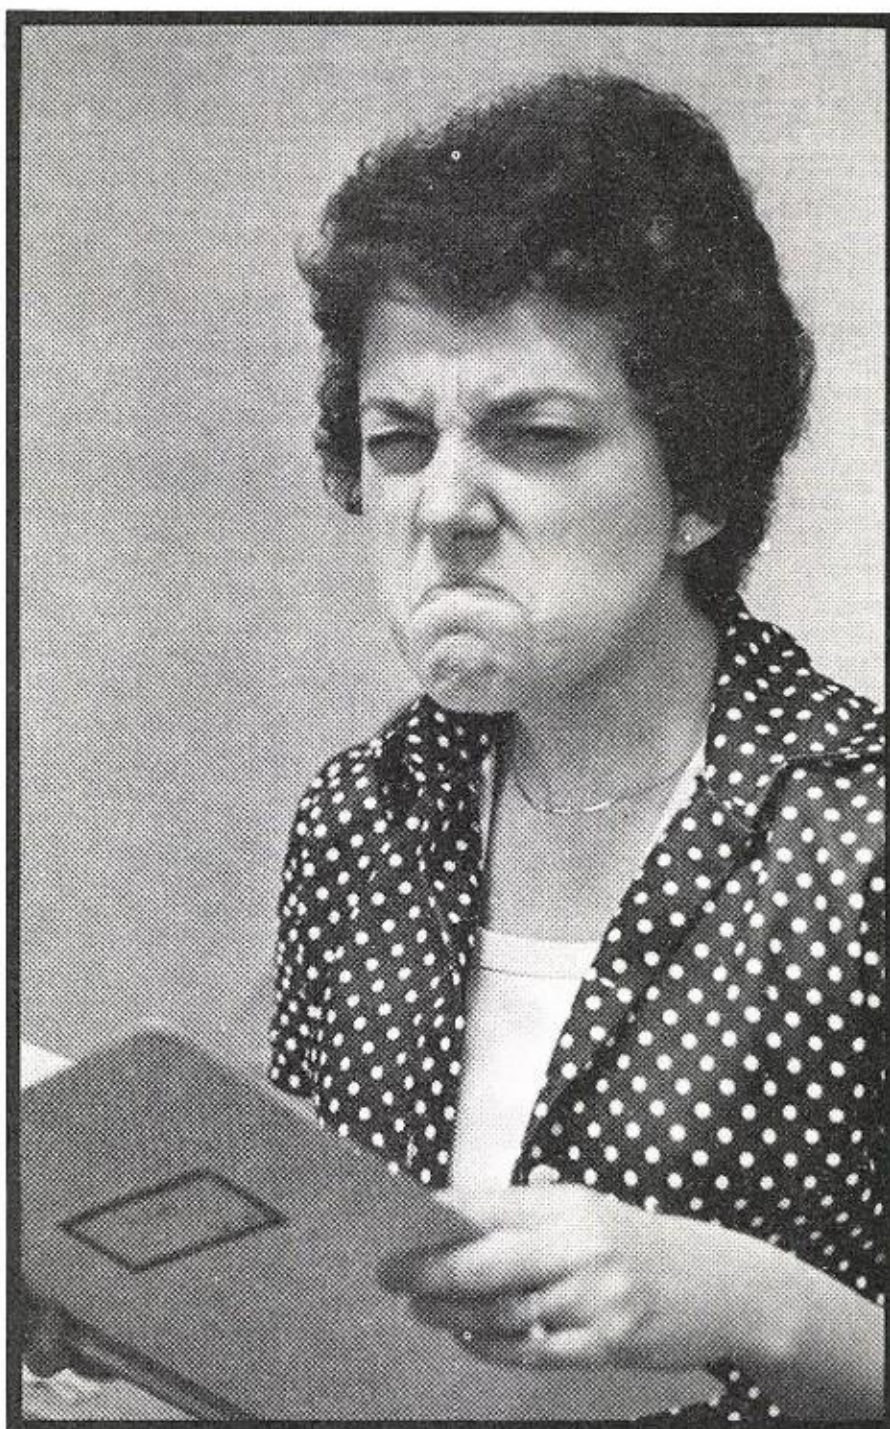

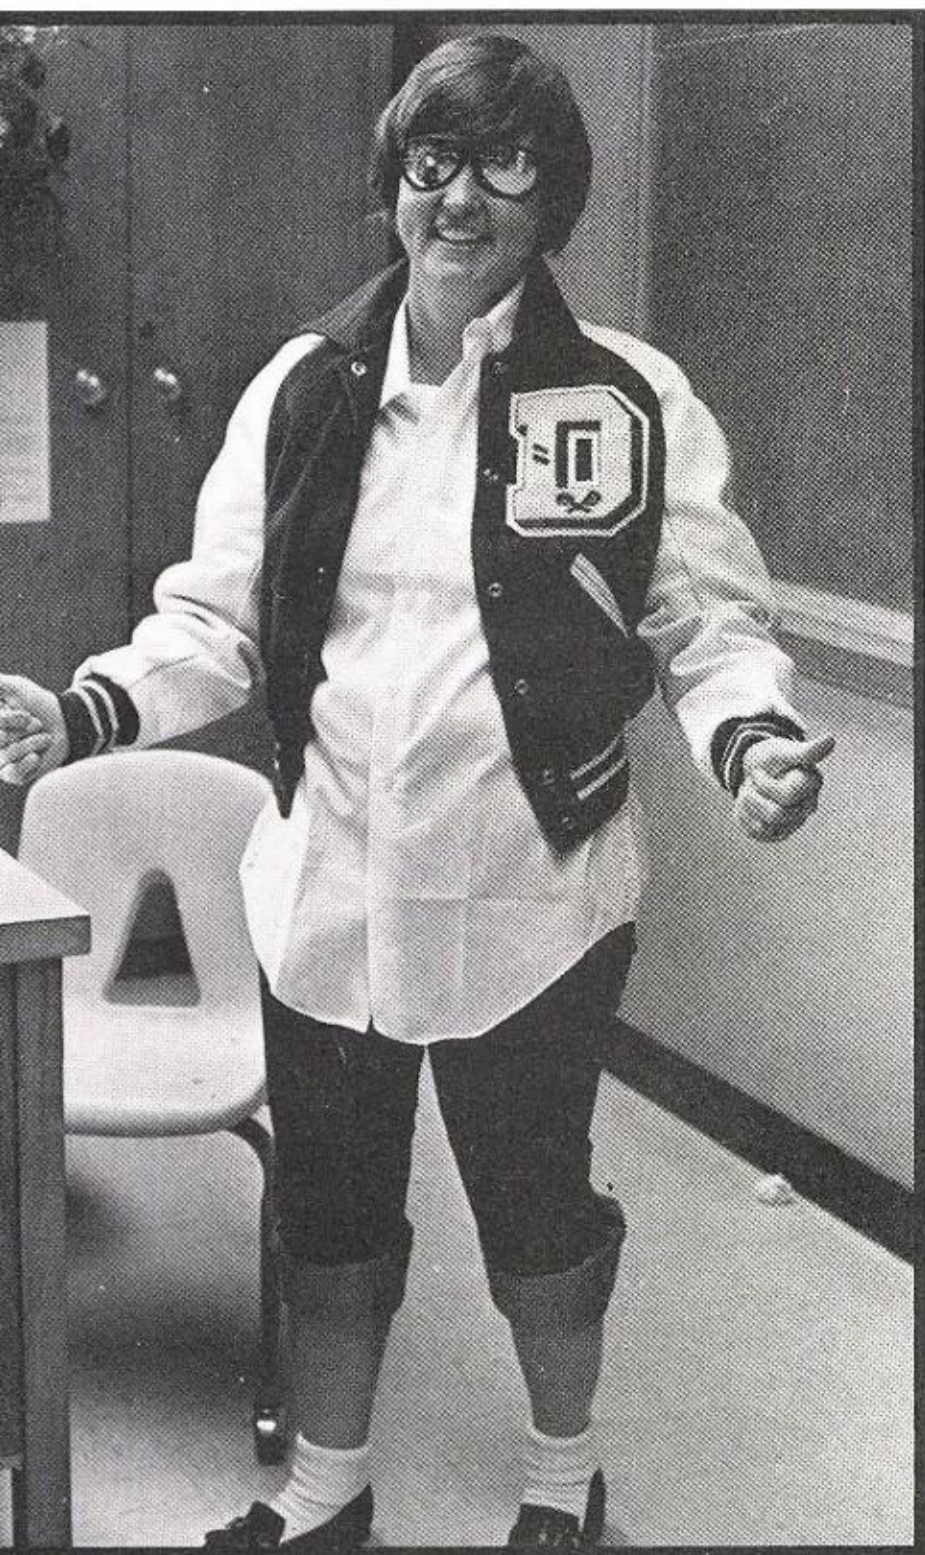

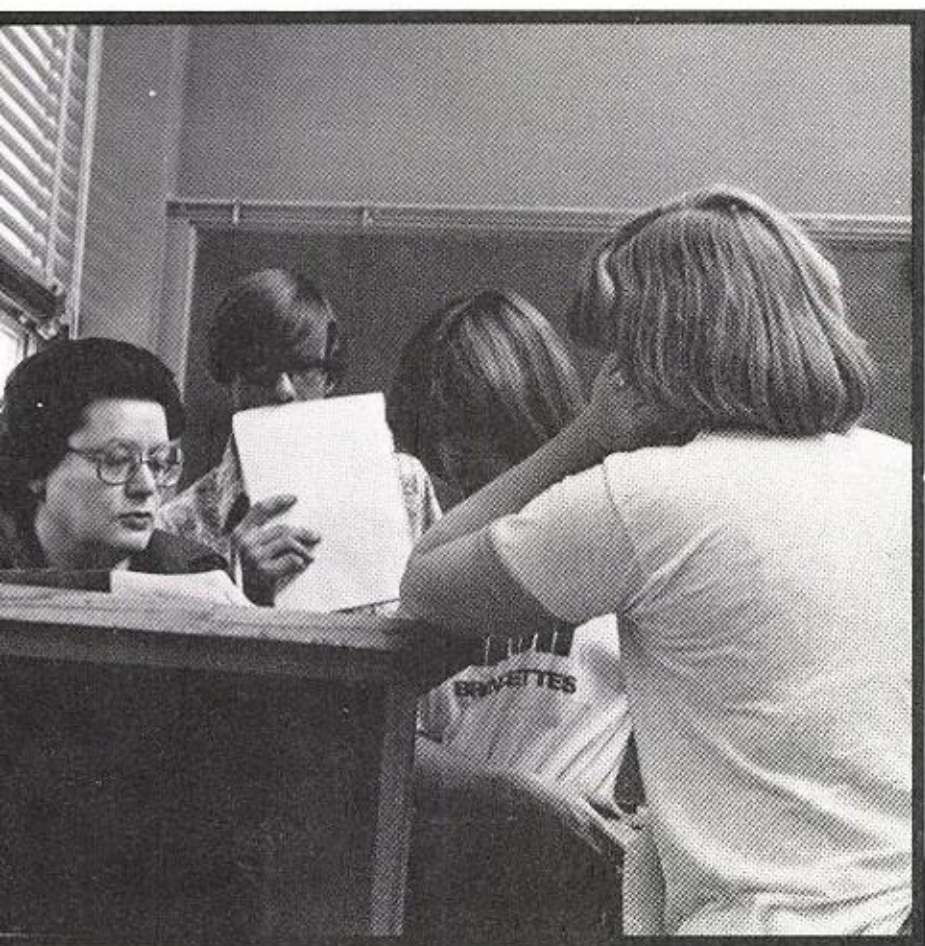

. . . These people are our confidants and our personal secretaries at the same time they're our substitute mothers. Whatever they are, they're indispensable. Their influence is felt now, with quarter exams, term projects, tardies, encouragement and discouragement but their real impact on us will not be adequately felt for several years.

# Activities

# 1,957 Students Register for the New Year

With the help of Mr. Whaley, Mr. Tonn, and 100 teachers, 1,957 students registered this year. The new English mini courses caused crowded, confused conditions in the English room and bewildered sophomores going through registration for the first time added to the chaos. But by 12:30 of the last day, the halls started to clear, the counselors started to breathe sighs of relief, Mr. Tonn gathered class load cards, and students filtered out, ready to begin a new school year.

Top Right: During a basketball game, Kathy Carlton keeps records for her new job as one of the goal tenders. Bottom: David Scribner works out on the weight lifting equipment in the field house.

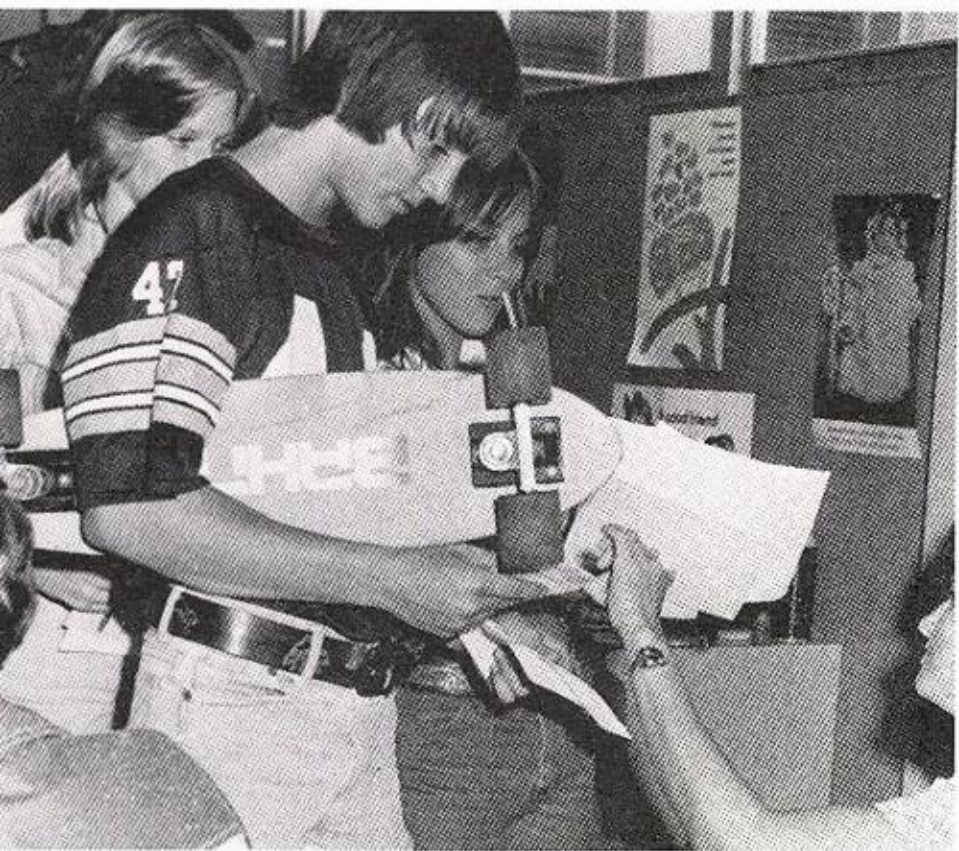

Basically, our alma mater remained the same, but a few changes took place during the year. The field house has changed; larger and redecorated. New equipment, in the form of a lapidary set, has arrived in the science department, and the old marquee was taken down and a new one installed.

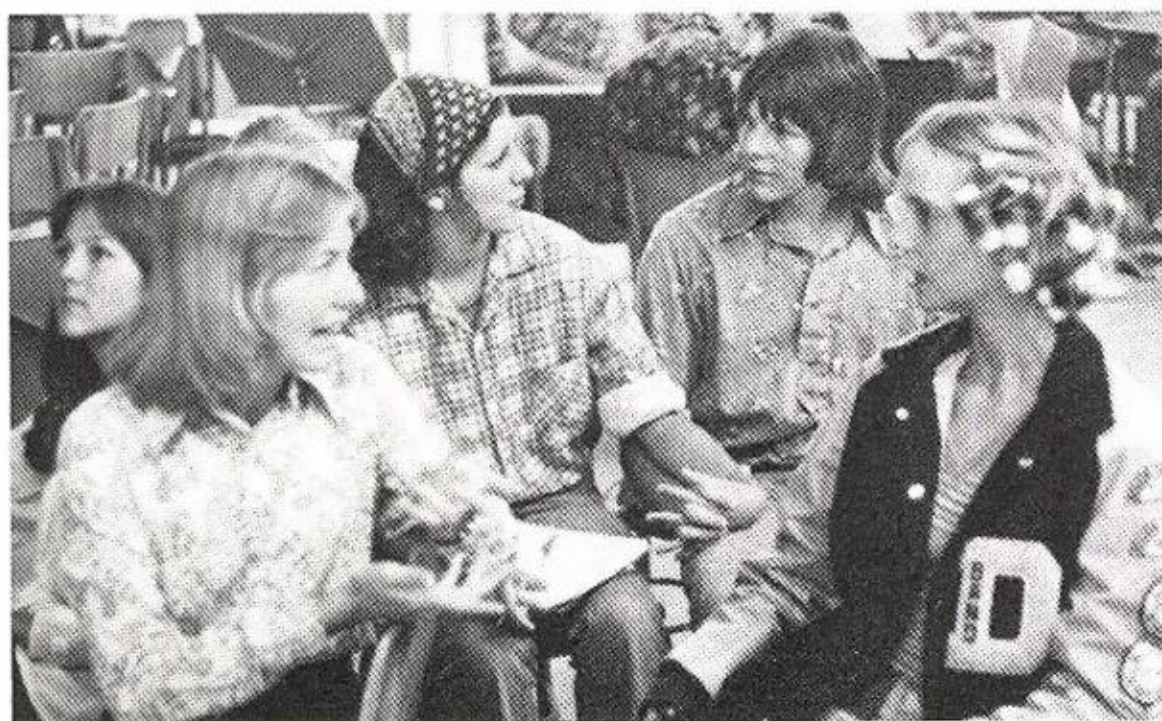

A group of flag carriers was added to the band and the English Department was reorganized. Now, juniors and seniors may select a one quarter English course such as American or British Literature, Bible Study, Poetry, Science Fiction, or Advanced Grammar and Composition.

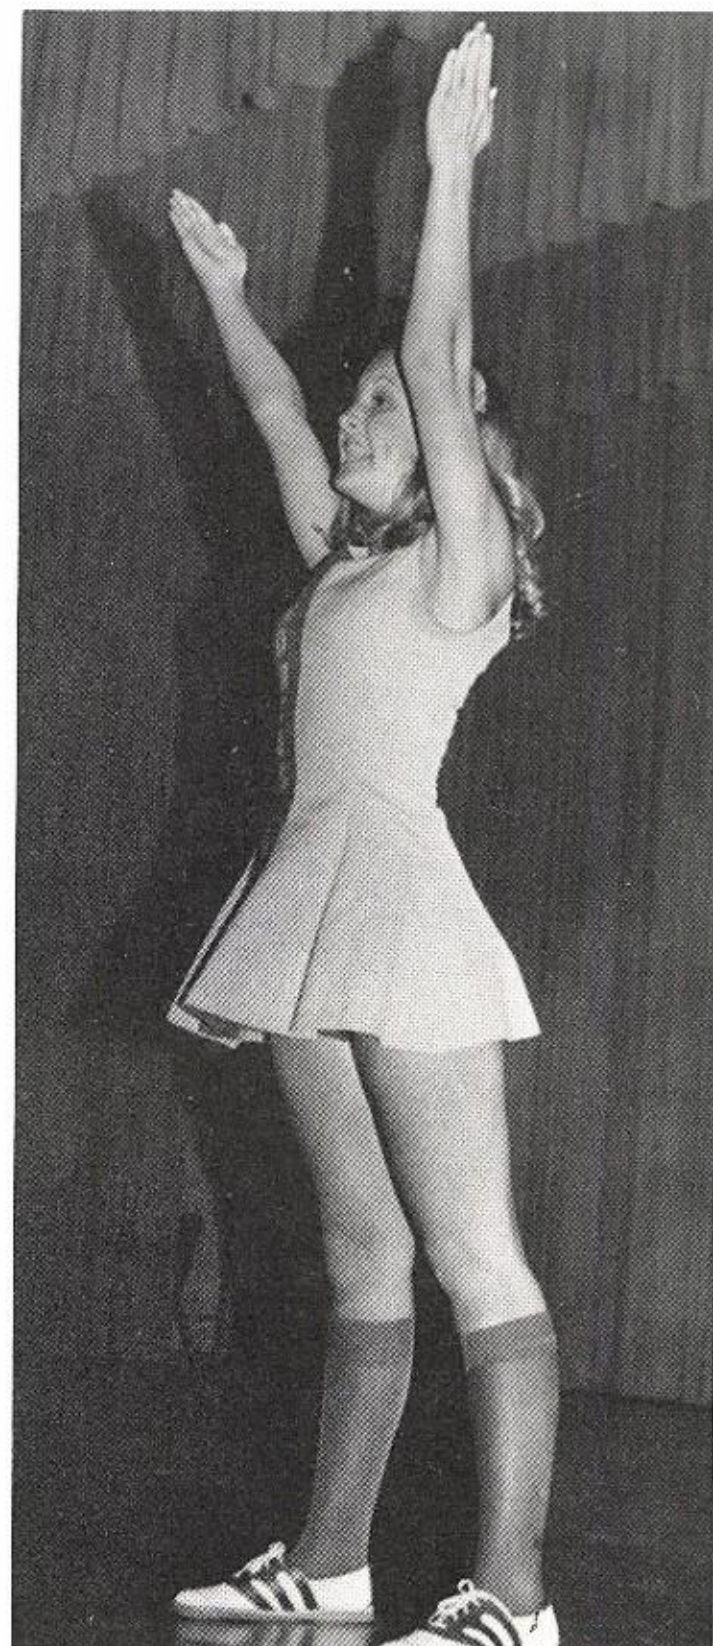

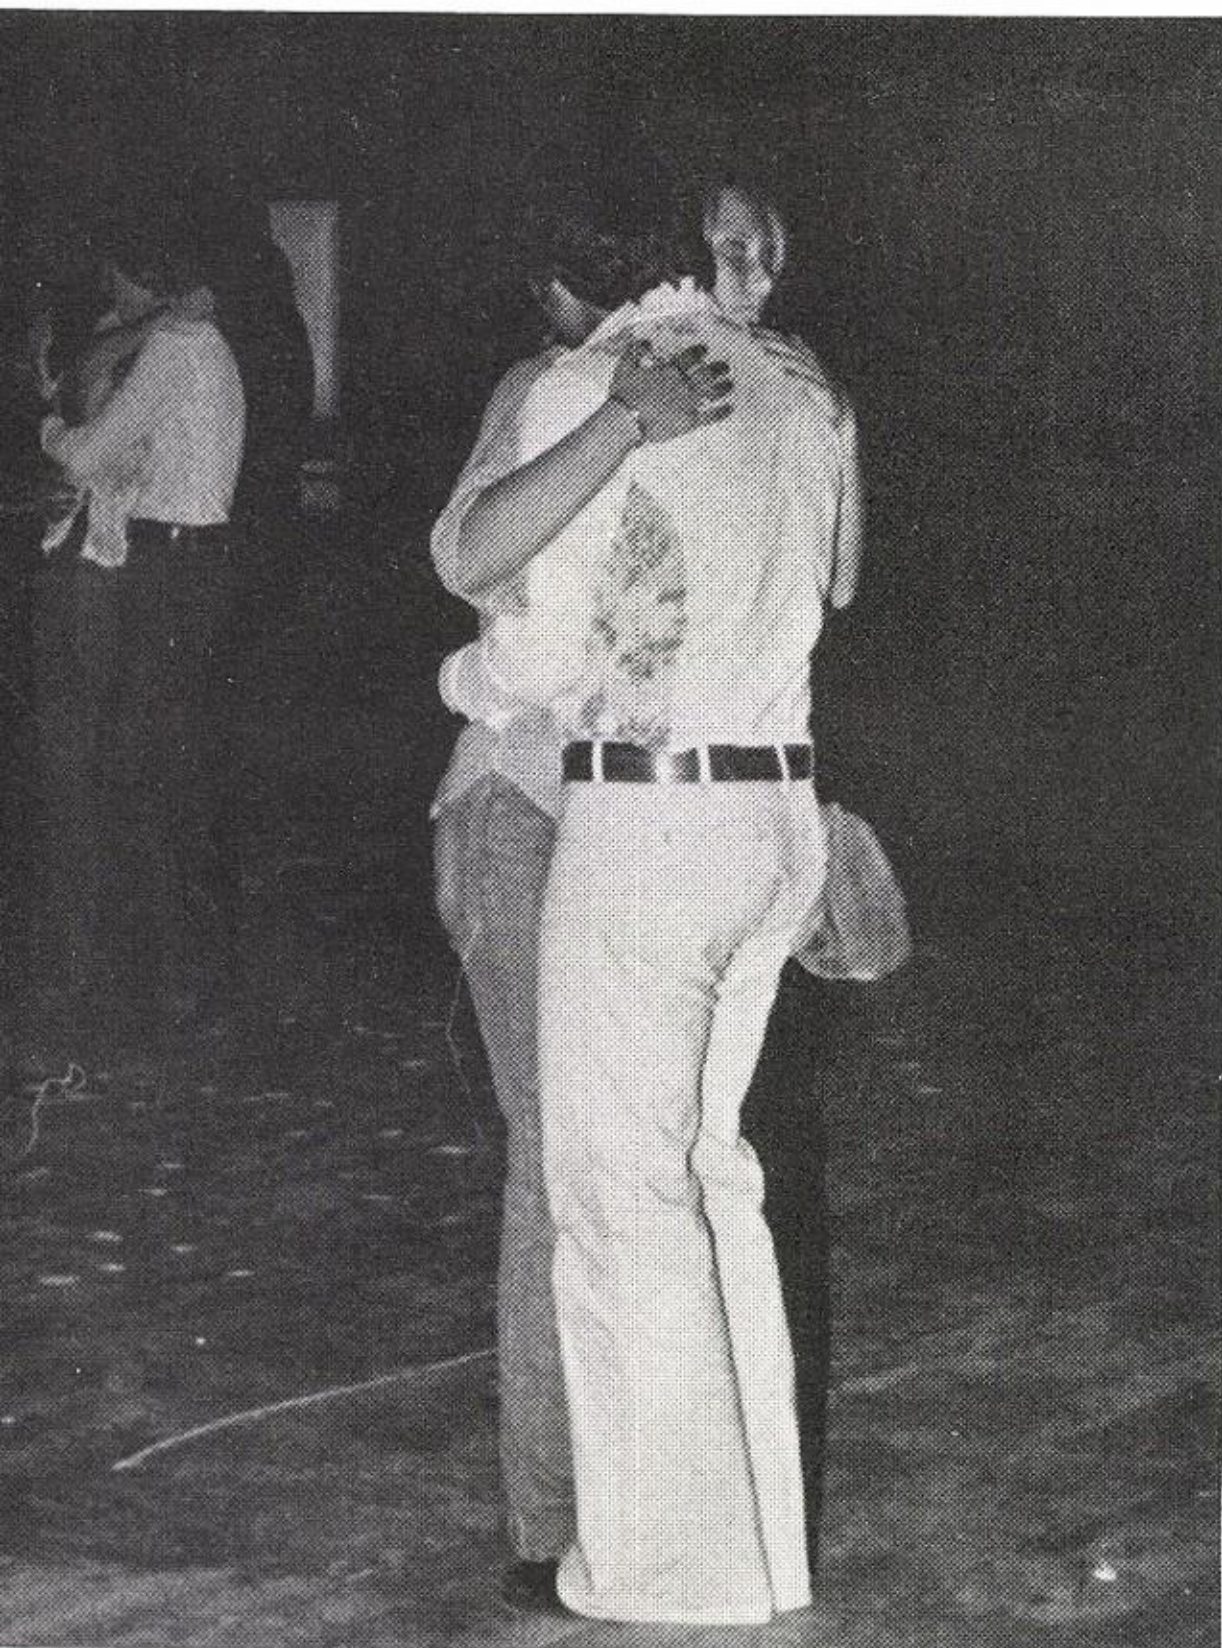

Top: Len Yarbrough adds letters to the bright new marquee in front of school. Middle Left: Kevin Carter registers with Mrs. McCormick after going through a crush of students also registering for English mini-courses. # Students Welcome New Year With Howdy Week

School began with bright, eager faces and uncertain enthusiasm. The Student Council did its best to stamp out the uncertainties by supporting Howdy Week with Council members greeting new students and guiding them through registration. Friendships were renewed and new friends made during this week of the purple and gold scrimmage, the Howdy dance, and Student Council greeting posters. This was our chance to get our feet back on the ground and bring that old school spirit out of the closet.

# Class Officers Spend Outside Time on School Activities

Few people other than the officers themselves realize the work involved in being a class officer. Besides decorating the halls for Homecoming, selling t-shirts, and attending class meetings, senior officers have the awesome responsibility of graduation.

Junior officers spend many hours planning carnation sales for Valentine's Day and earning money for the Prom.

The rookie sophomore officers learn by observing and help out whenever needed.

Winners in this year's Student Council race were Mike Harbeson, president; Sharon Simmons, vice-president; Becky Swartz, secretary; Stacy Johnson, corresponding secretary.

# Student Council Still Active After Many Years

Student Council members work hard to make the best of each year. In addition to sponsoring five dances, they sold calendars, T-shirts, key chains, and student directories. They send out birthday cards to teachers, plants and flowers to the sick and visit the nursing homes. The school also received a new marquee through the Student Council.

# Tanya Doyle Elected Homecoming Queen During Pre-game Activities

The misty, cold air, seasoned with football cheers and mums, seasoned the scene for Homecoming 1976.

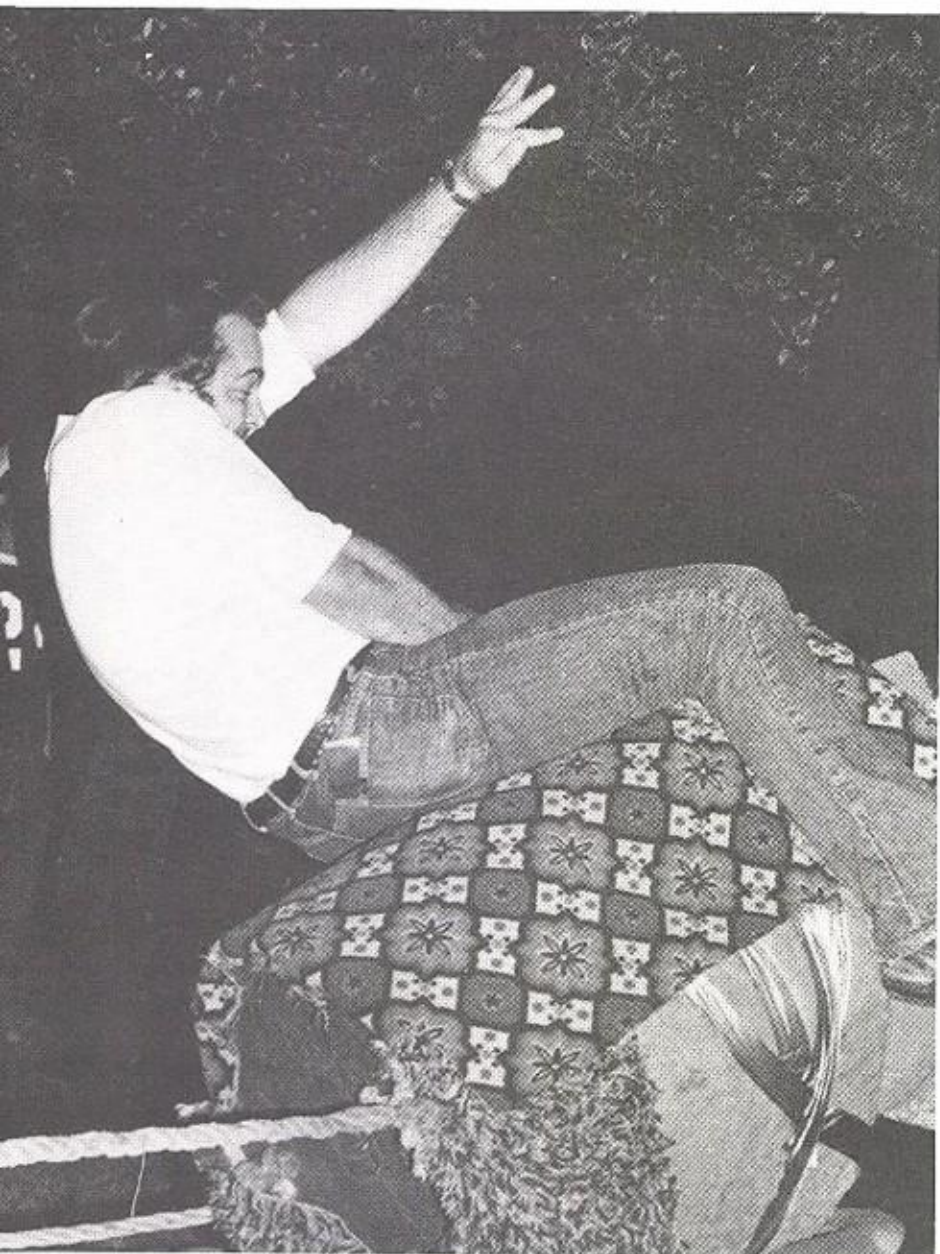

A losing battle, 20-21, with Wichita Falls did not detract from the excitement of the yearly festivities. The dance, held in Hubbard Hall at TWU, was only a part of the exciting evening. The Homecoming parade added appeal to the action.

Hall decorations, float projects, float winners, Drama, DECA and ICT, and the Carnival all made the week one to remember.

Pre-game and halftime festivities were enlightened by the introduction of Queen nominees, Sherri Mays, Tanya Doyle and Kim Snider. Senior Princess nominees were Amy Norton, Becky Spratt and Barbara Thomas, Junior Princess nominees were Carey Nelson, Joni Newland and Stacy Whittle and Sophomore nominees were Julie Cole, Carey Nelson, and Barbara Thomas. Julie, Carey and Barbara captured the honors for princesses and Tanya was crowned Queen.

# Favorite Skits End Hectic Week

Skit rehearsals, SAT tests, ACE talent show, choir concerts, and various athletic events culminated in a rushed week of activities for the 24 favorite nominees.

The sophomore favorite nominees John Barnett, Wilson Jones, Chris Van Dyke, Julie Cole, Debbie Byrd, and Jerri Gee did a take-off on the TV show, the dating game.

The junior skit came complete with a Farrah Fawcett doll, played by Eddie Coker; a Fillie, Gordon McAdams; and George of the Jungle, George Gierisch. Cindy Jansen, Stacy Whittle, and Joni Newland played elves.

The senior favorite nominees, Bruce Goodner, Randy Buck, Gary Neu, Kelli Bruce, Kay Bean, and Cheryl Mitchell, along with Mr. and Miss DHS nominees, Kelly Mayo, George Burmiester, Steve McNeil, Becky Spratt, Barbara Thomas, and Amy Norton showed in their skit that activity around Denton High was nothing compared to the chaos at the North Pole before Christmas, with Santa sick and all the toys out of control.

Christmas slipped up quickly this year and with the hyperactivity of the season, the door decoration contest was cancelled. The students rushed from party to party exchanging cards and gifts, while Mr. Favors gave his yearly kiss or spanking to the girls in his classes.

The key club Santa didn't appear in the halls this year, but was hardly missed during the festivity of the week. There were choir concerts to attend, and First Baptist Church gave its annual performance of the Living Christmas Tree. The favorite skits were given and students voted.

The dance was held at the Silver Eagle Ballroom with the \$1000 band, Pyramid. It was one of the most successful dances of the year. The senior favorites announced were Kelli Bruce and Gary Neu.

Juniors selected Cindy Janssen and Gordon McAdams as their favorites. There was a tie between the sophomore girls this year, Debbie Byrd and Julie Cole; John Barnett was selected boy favorite. The student body voted Barbara Thomas and Kelly Mayo as Mr. and Miss DHS.

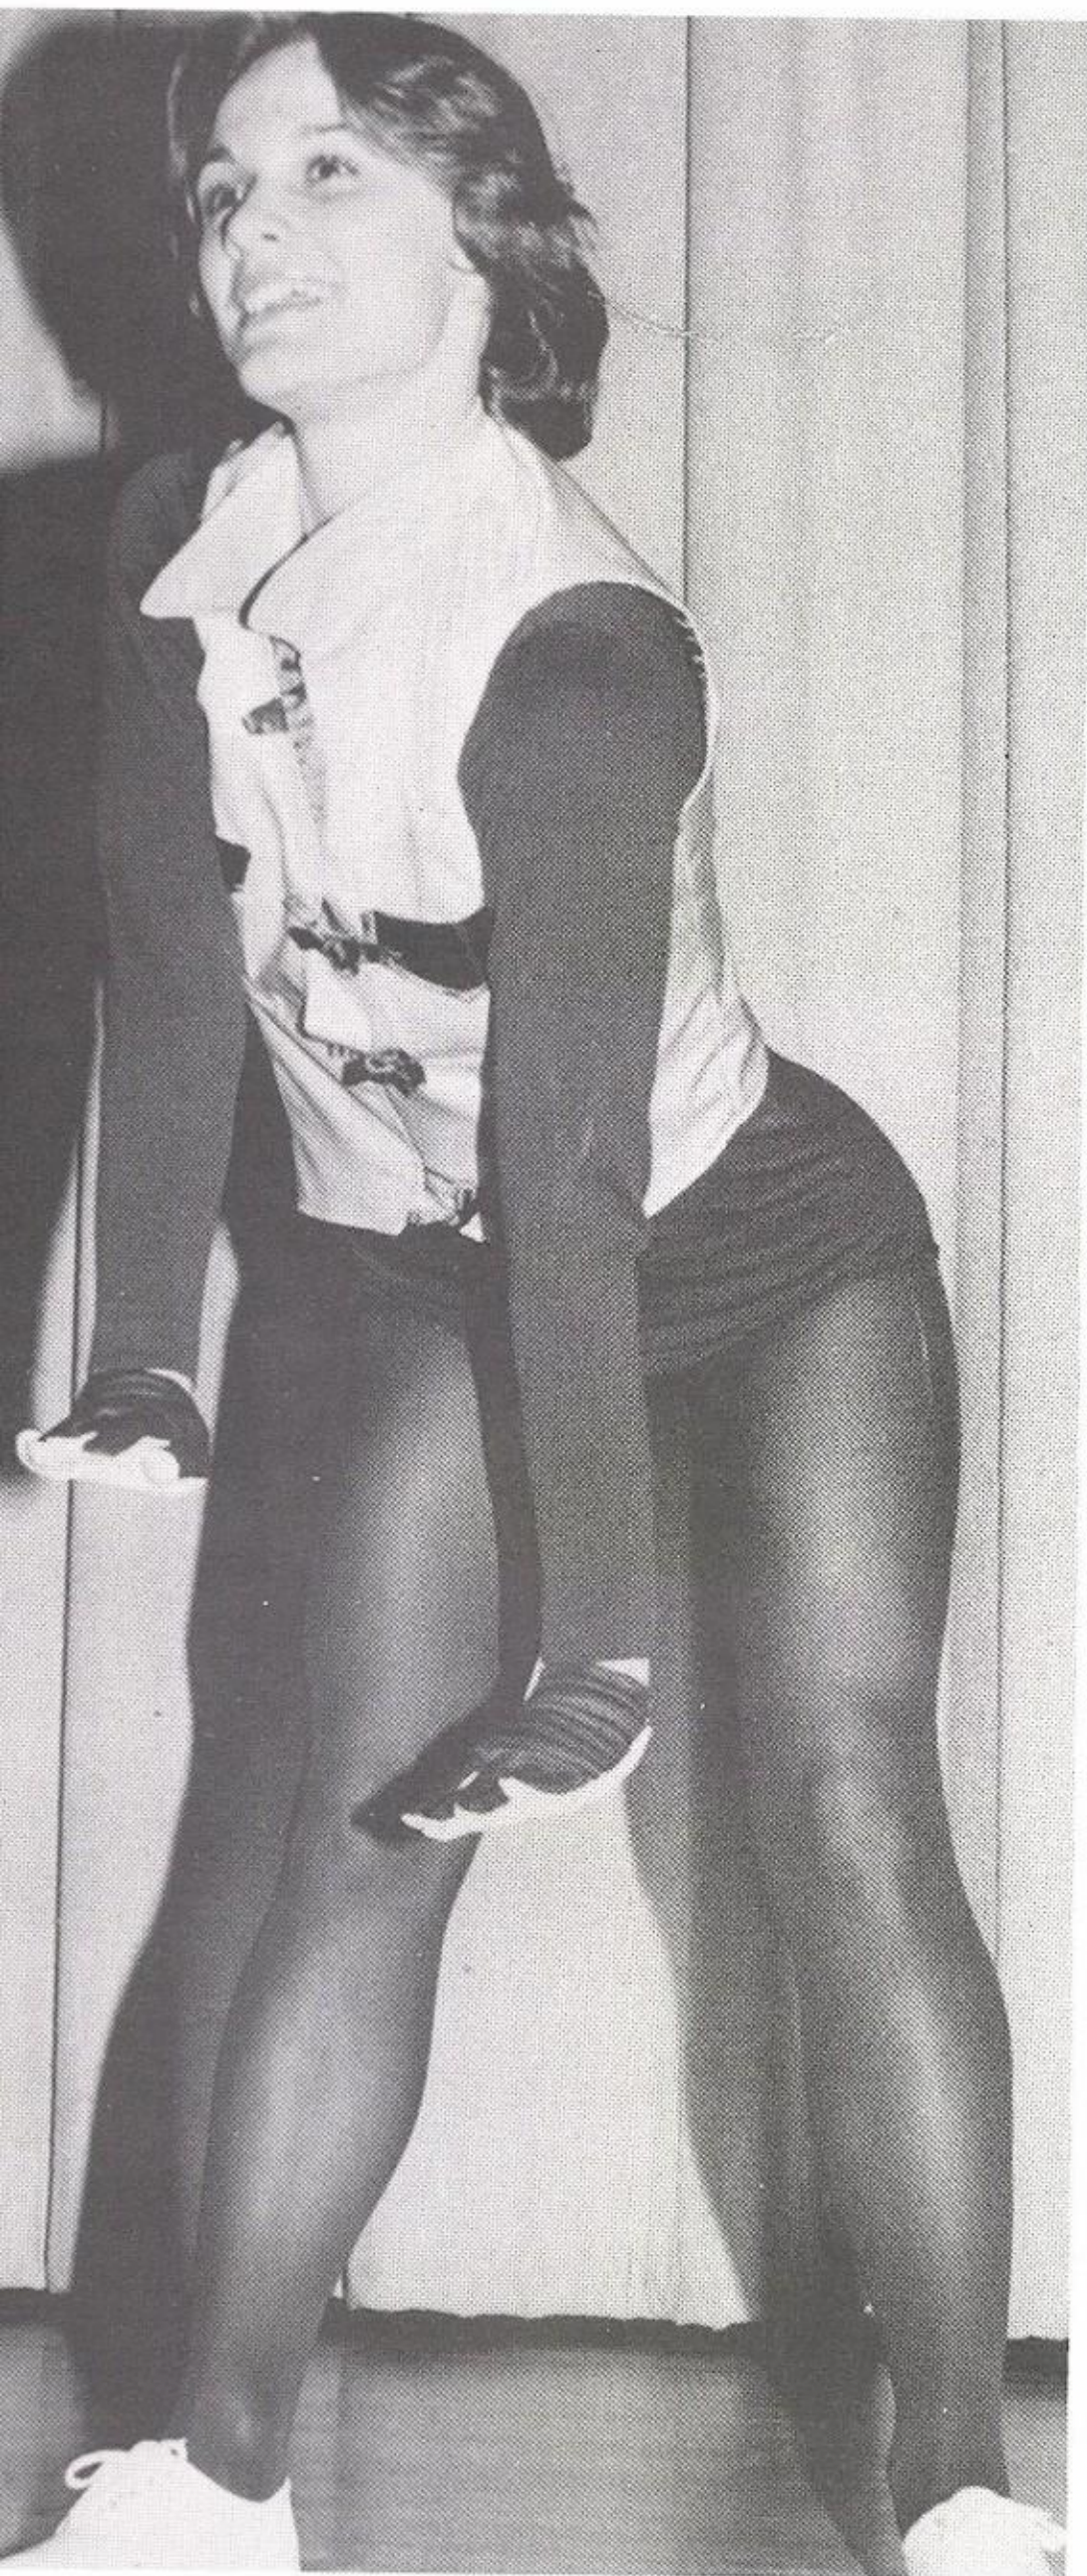

# Anchors Away, Hoedown Tops Fillies Follies

The Fillies presented the third annual performance of the "Fillies Follies" in February. A dynamic panorama of routines included themes such as jazz, 'the fifties,' and a mirror routine. Charlotte Coulter was given the "Fillie of the Year" award during the final performance. A panel of judges selected "Hoedown" and "Anchors Away" as winning routines. An impressive high kick routine performed by the entire group completed the 1977 Follies.

# A Day for Hearts and Flowers

Many tears and smiles accompanied the mass distribution of carnations. Over two thousand carnations were sold and the large profit was donated to the Junior-Senior prom. The Valentine season was highlighted by the dance, during which Kay Bean was crowned the Valentine Queen.

# Staging Productions Keeps Drama Busy

Showcase 76, consisting of short skits, commercials, and musicals, started the year for the drama department. The Remarkable Incident at Carson Corners starring Thomas Kirkpatrick and Sarah Sweeney was its second success. Pink Magic, a story about a group of American teenagers and their adventures in Mexico City was the third production and it finished the year.

# Concerts, Movies Provide Entertainment

This is the year for comedies. Silver Streak, Pink Panther Strikes Again, Bad News Bears and Silent Movie were some of the funniest, but comedies aren't the only "sure winners." In Search of Noah's Ark, a documentary, provided a change of pace for the viewers and Ode to Billy Joe, a tragedy, was a sell out.

Musically oriented students were entertained by the Eagles, Willie Nelson, and Linda Ronstadt. Peter Frampton rose from obscurity to become one of the number one singers with the hit "Show Me the Way." Play that Funky Music, Take it to the Limit, Blue Eyes Crying in the Rain, Boogie Fever and Disco Lady were a few of the songs to climb the charts this year.

# Change Marks America's Third Century

The years, 1976-77, was a period of upheaval in Washington and throughout the country.

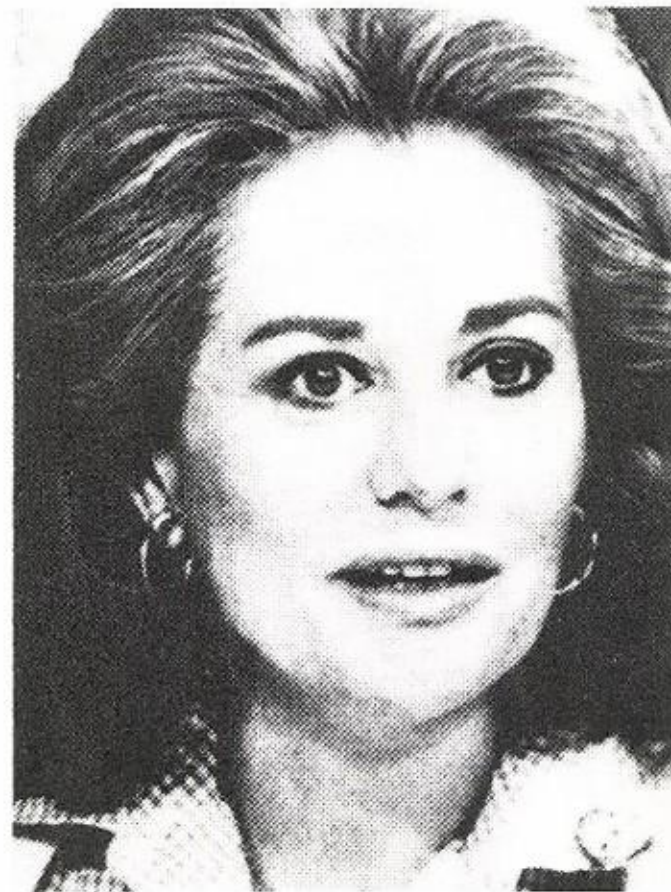

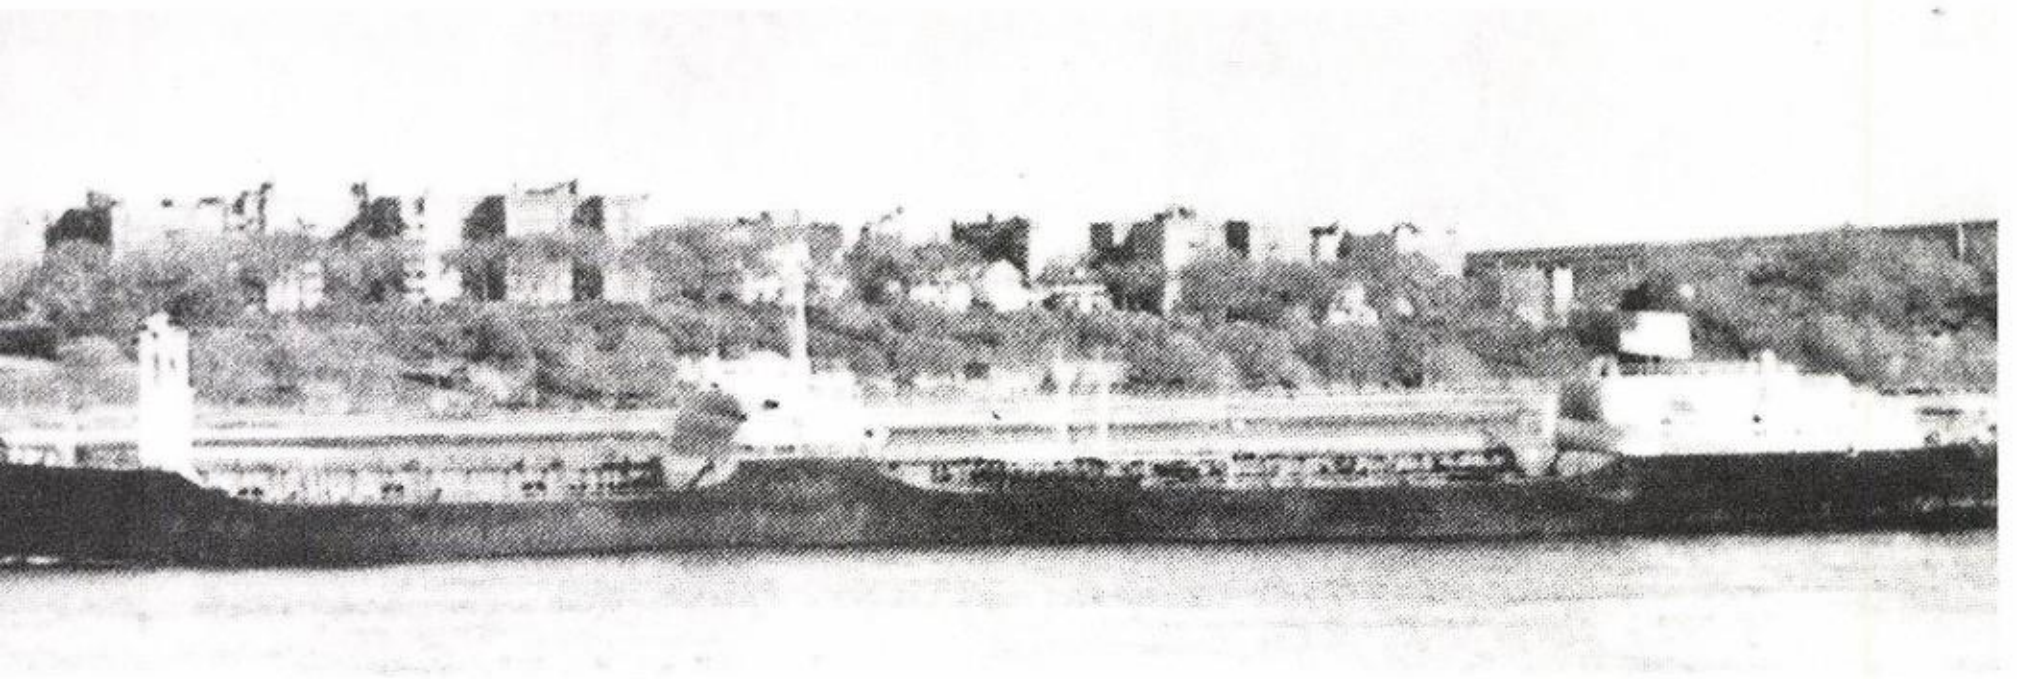

A broad grinning, peanut farmer from Georgia narrowly edged out the incumbent President Ford to win the Presidential election. The closely fought race covered a variety of issues; among them the stagnant economy, unemployment, defense budget, amnesty, and the Nixon pardon.

Amid the general concern over violence and crime, convicted murderer Gary Gilmore became the first man to be executed in the U.S. in 10 years.

The general mood of the country appeared to be better than in the infamous sixties, but the newly elected Jimmy Carter still has a long road ahead to pull the country out of its current state of apathy and disenchantment.

# Close Games Mar Broncos 3-7 Season

The ill-fated 6-A AAA District, the inexperience of youth, a new coaching staff, a lack of size and the absence of fan support are all factors that may have attributed to the Broncos' 3-7 season.

However, the fact of their misfortune stems in part from their inability to play consistently, and by inconsistency the record distorts the sometime brilliant play of the enthusiastic Broncos. If the Broncos could have put together two good halves in four of the close, winable football games that stubbornly fell in the loss column, they would have turned around the 3-7 season.

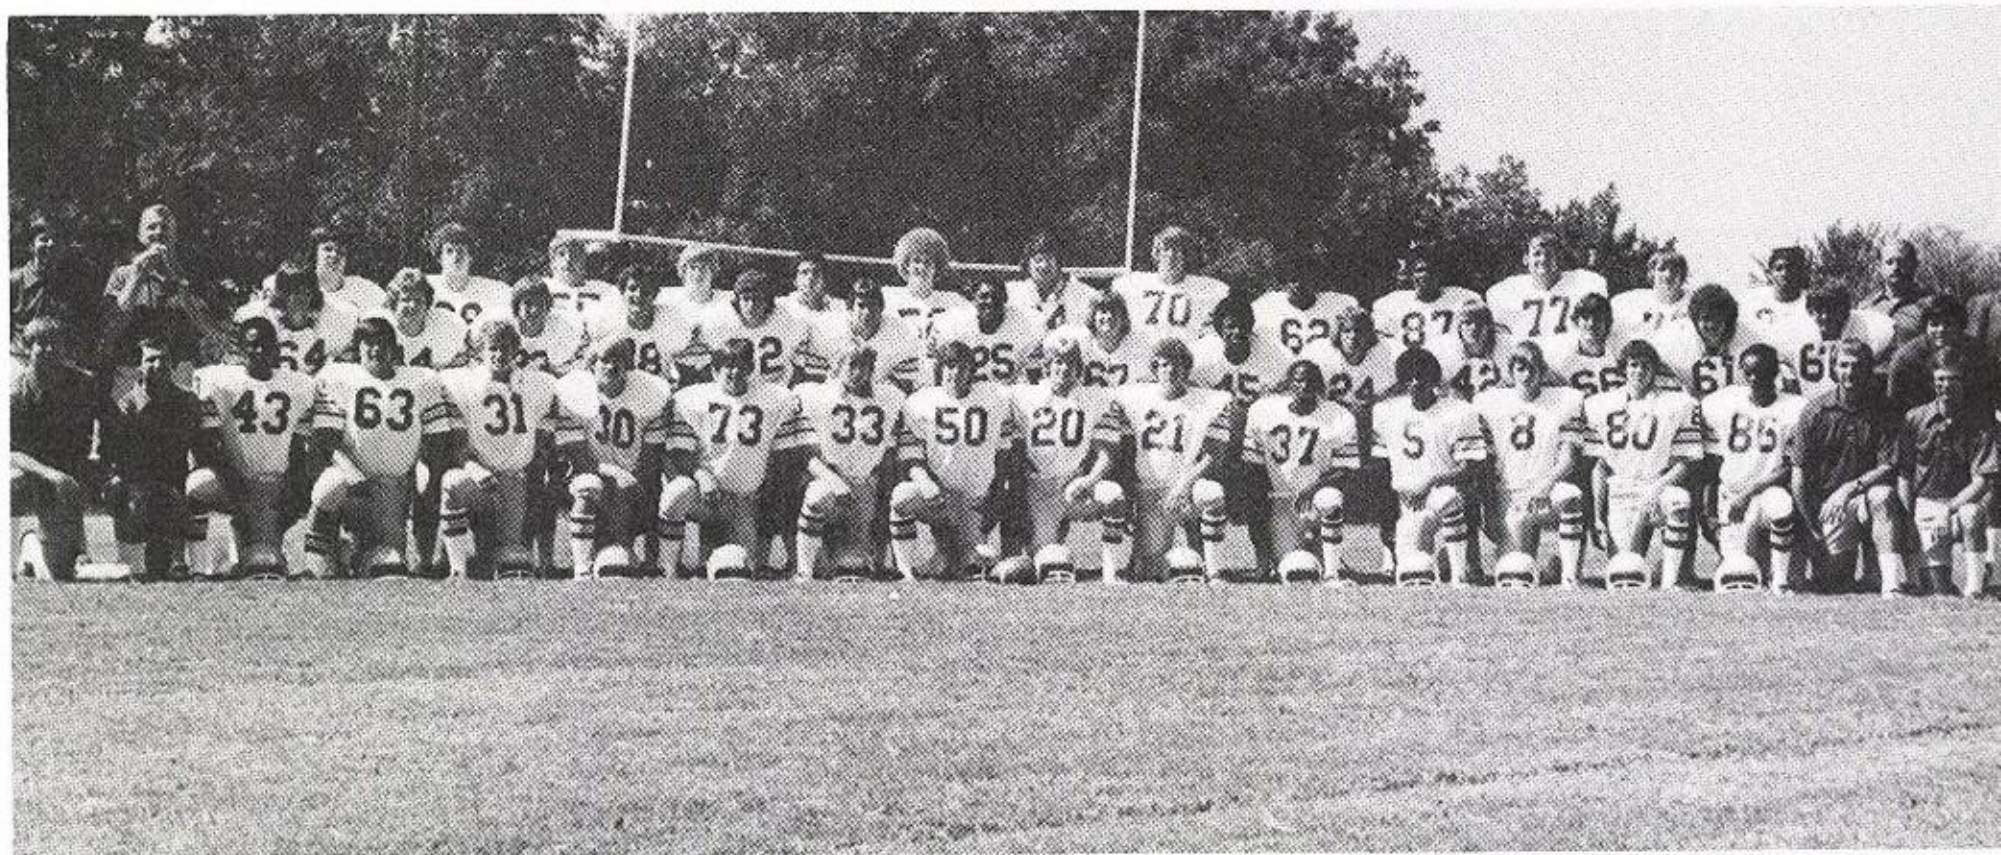

In district play the Footballers' 2-4 mark tied them for fourth with L.D. Bell.

The few senior representatives of the team stabilized and strengthened the junior dominated team. Seniors Donnie Devereaux, Steve McNeill and Gary Neu provided leadership and made the quick, explosive offense go. Whereas, Forrest Purser, Larry Garrett and Tommy Herron bolstered a stubborn defense. The youthful inexperience may have been responsible for many mistakes this season, but the 41 returning players will provide Coach Shipman with the depth, the experience, talent and the disciplined ball players needed to mold the Broncos into a winner.

# Ponies Finish Season With 6-3 Record

The play of a strong, fleet offense and an unyielding defense provided the Ponies a successful 6-3 season. Winning the first five out of six games with the swift feet of Wilton Wilkerson, Sam Tomlinson, and Richard Herron, the Ponies were assured of a winning record. Cedric Baty netted 203 yards on 23 carries, but Lewisville nipped Denton 27-21 as the Ponies lost two of the three remaining games.

# B-Team Ends First Year 1-5

The B Team, in its first year of existence, finished the 76 season with one win and four losses.

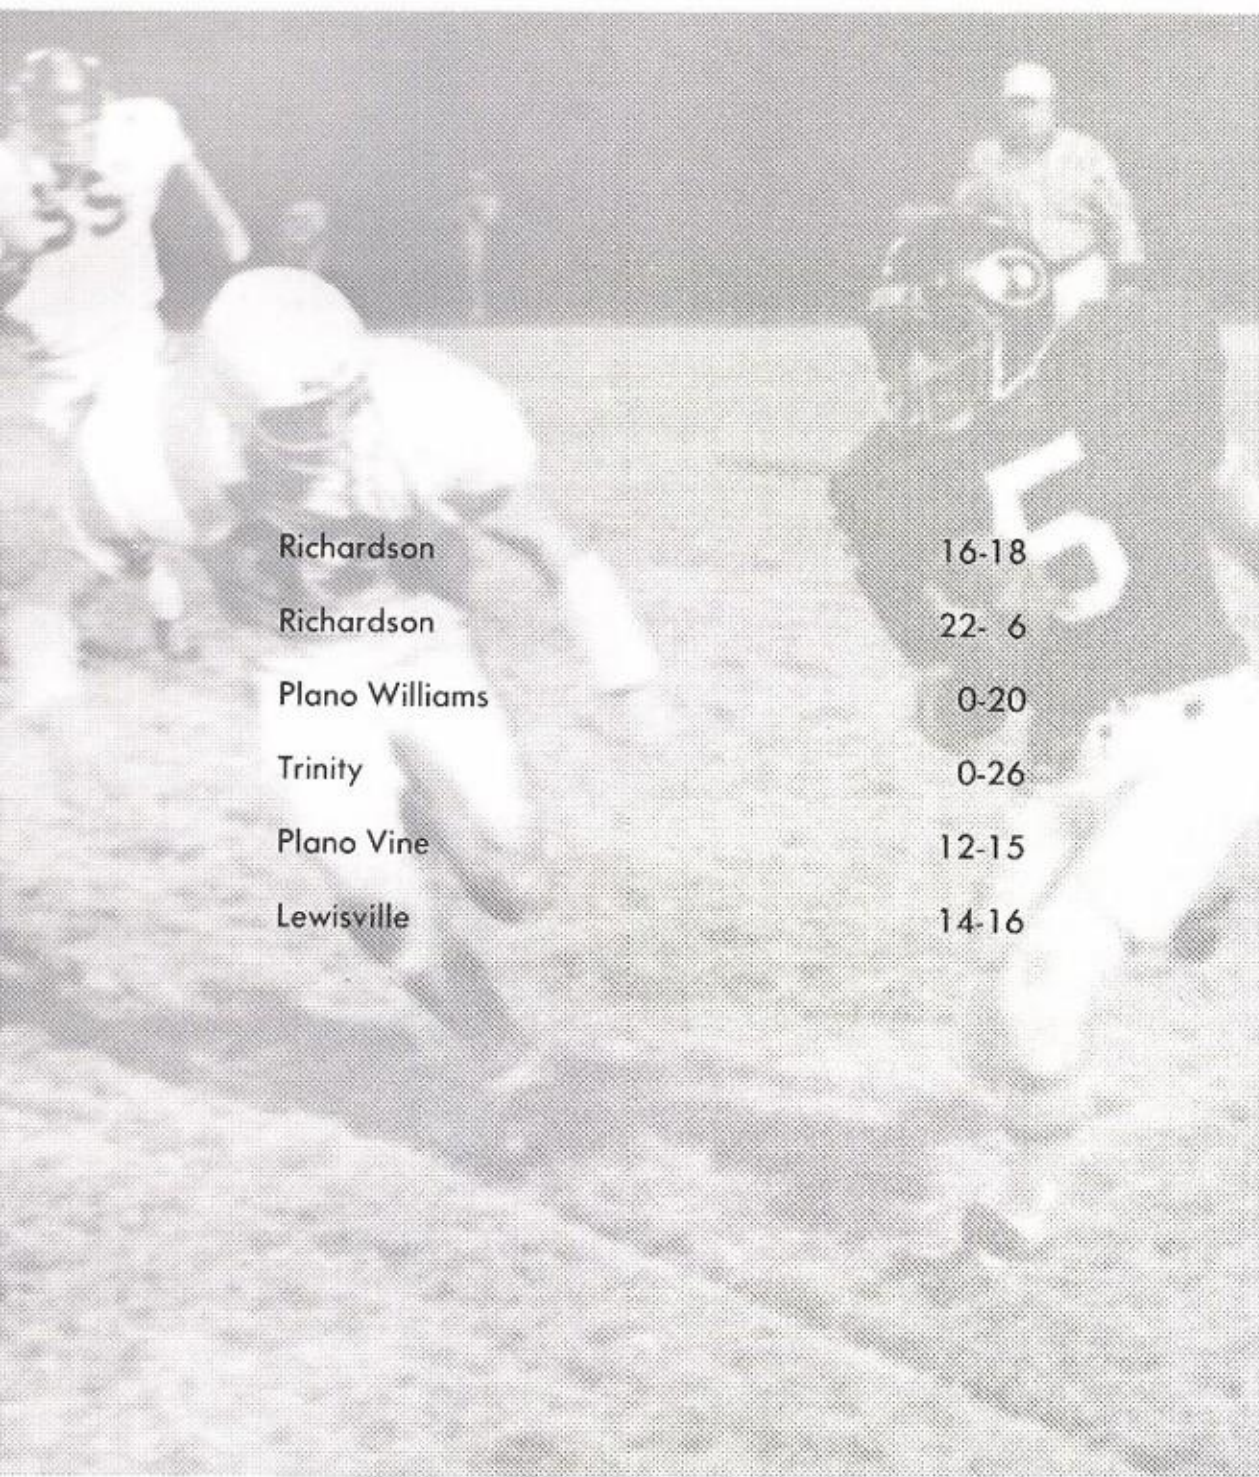

Opening on the road against Richardson, the B team suffered an 18-16 defeat. Returning home, Denton avenged the loss by beating Richardson at home 22-6 as Denton rushed for 368 yards. Denton traveled to Trinity where they fell to the Trojans, 26-0. The B team lost a close game to Lewisville on a late safety. The final defeat of the year came at the hands of Vine, 15-12.

Leading players for the B team were Mike Harbeson and Edward Simpkins. The creation of the B team gives more players a chance to participate and obtain valuable experience.

# Broncos End Up and Down Season 16-15

A margin of three points separated the Running Denton Broncos from the second-half 6-AAAA crown and a possible district championship.

After the '77 edition of the Broncos and Coach Ted Gillum, in his maiden year, defeated Trinity, 76-73, in a "Purple Pit" barn-burner and then journeyed to Wichita Falls to clip the Coyotes 57-55, the Broncos placed their four game winning streak and their share of the second-half lead in jeopardy as they traveled to meet the sharpshooting L. D. Bell Blue Raiders. Bell's Ray "Flash" Radcliff constantly ripped the cords in the first-half for 15 of his 20 points as the Raiders eased to a 19 point lead at one time in the second stanza. The sluggish Broncos closed the deficit to 42-32 at half. Down by 12 with one period to play, the run and gun Broncos outscored their opponent 24-13, but the one point difference, 74-75, marred their record and forced the Broncos to defeat the front running Rider Raiders at home for a possible tie for the second-half championship.

The Broncos trailed by six at half as Rider out ran the Running Broncos.

The Broncos district hopes faded as they would get close but were not able to take advantage of key situations, and therefore dropped the 69-67 decision. The Broncos' season ended early as the two squeakers diminished the 16-15 season into memories and "if's."

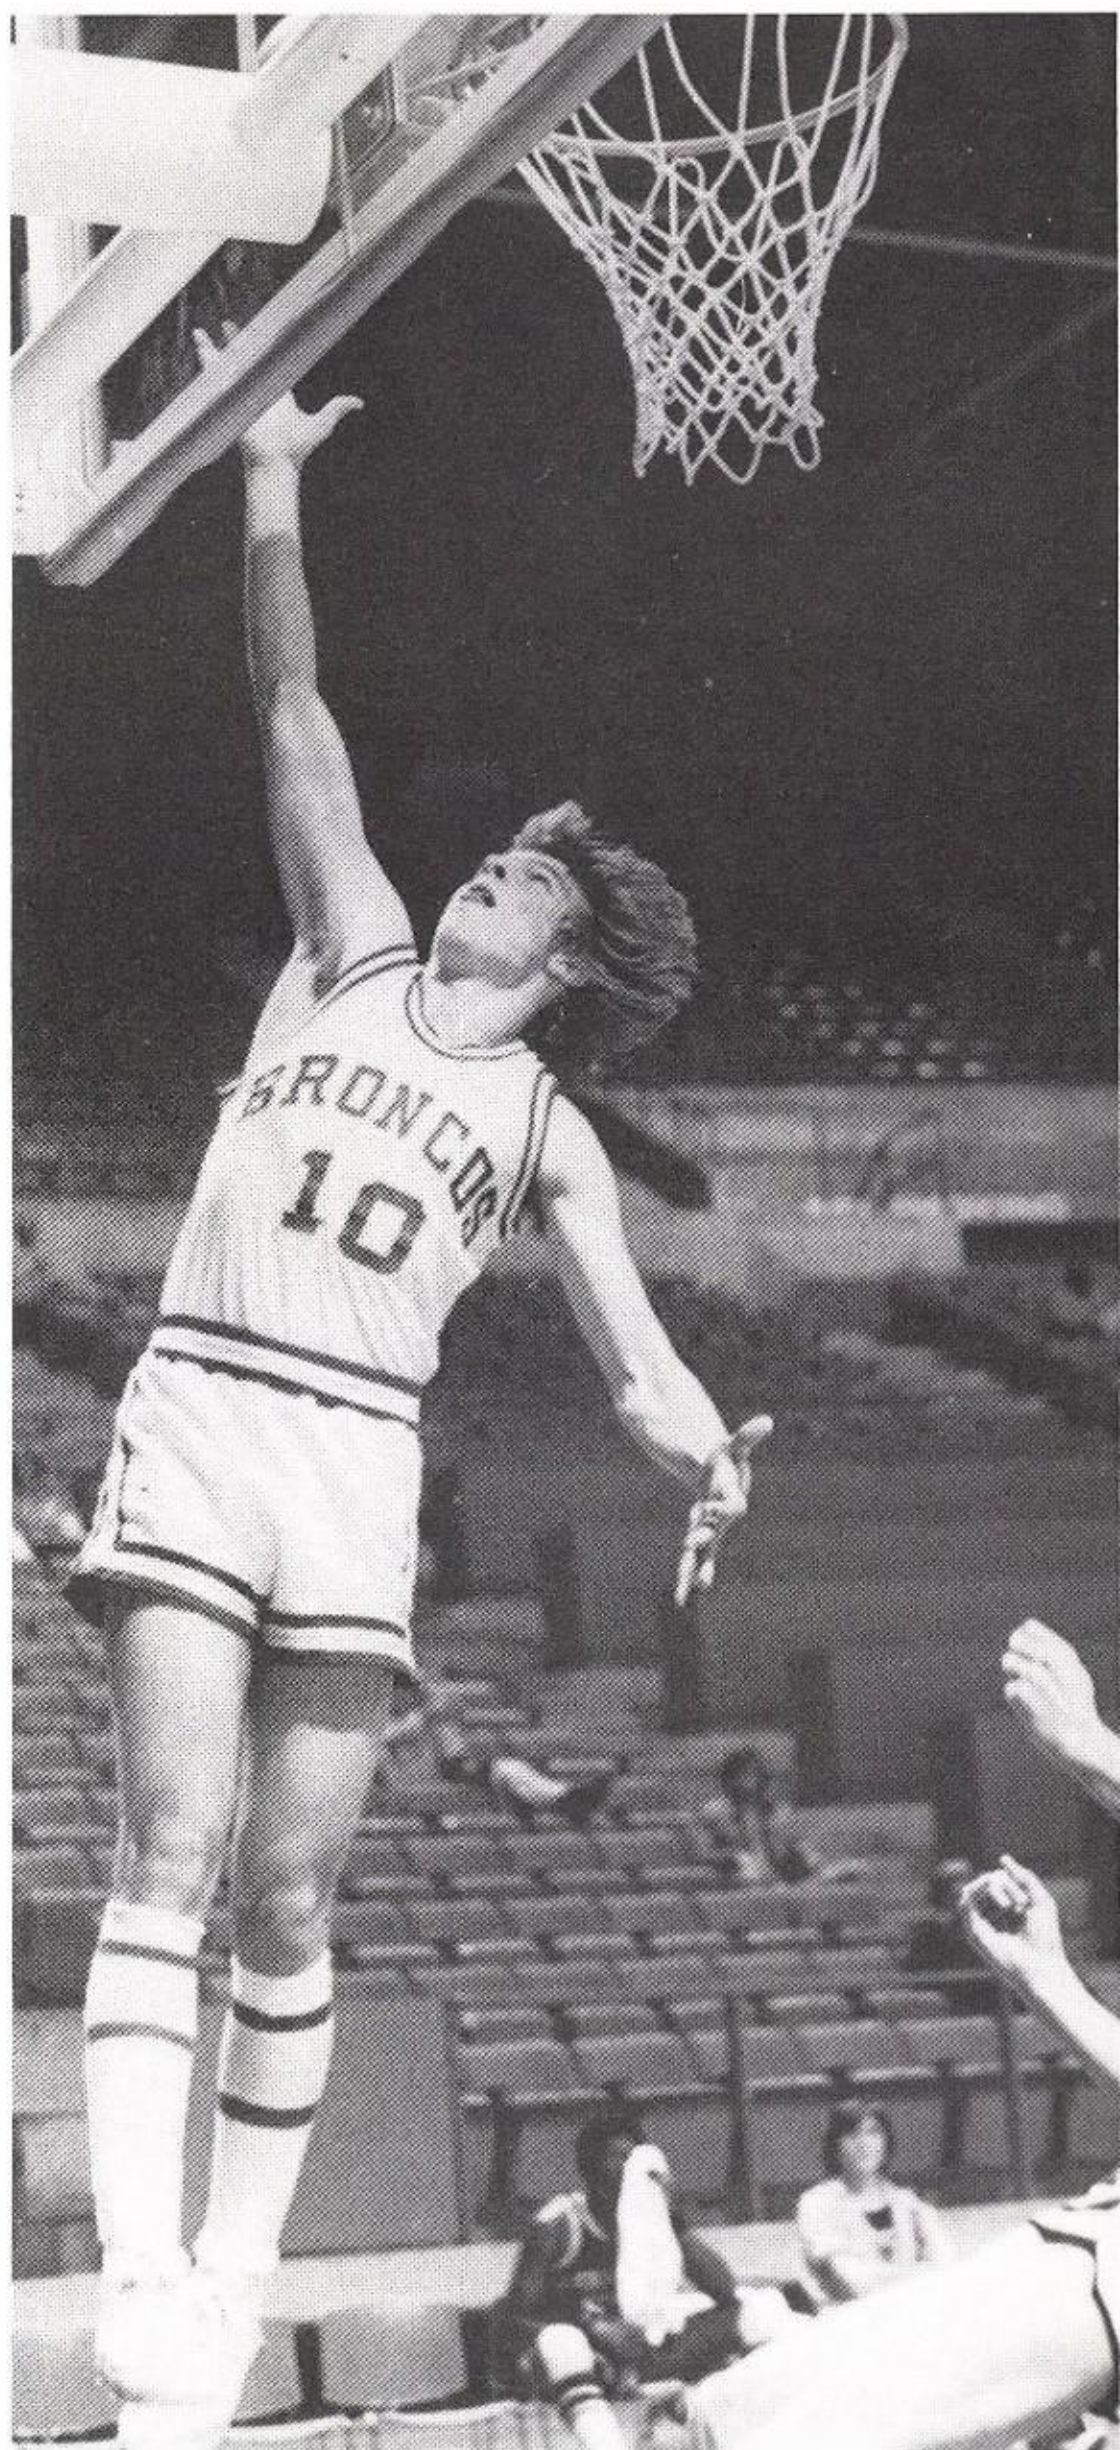

Led by smooth Stafford Counts who averaged 15.2 points for the season and district, even though his last three outings were sub-par, the Broncos were never blown out as they played close and entertained the sparse crowds. Counts was named to two all-tournament teams, the Dr. Pepper and Kiwanis Invitational.

Ball handler Mike Williamson pumped in 10.9 per game as the senior guard played his best game at Bell, netting 25 points. Larry Lucas averaged 9.1 per game as his quickness was a primary Bronco asset.

Junior Johnny Pate contributed 10.0 points per game, and Coach Gillum will depend primarily on him and Leo Hudson for next year. The other Bronco starter, Bruce Goodner, had a strong start as he was the dominant factor in the winning season. The Broncos depended heavily on their bench, including Kelly Mayo, Robert Mohair, and Tim Foster, as team effort pulled out many a close ball game.

# Fast Start Helps Ponies to 15-14 Season

A four game losing string at the end of the season marred an otherwise good season for the Junior Varsity basketball team.

Ending the season at 15-14 with a win over Lewisville, the Ponies should be able to give helpful support to the Broncos next year.

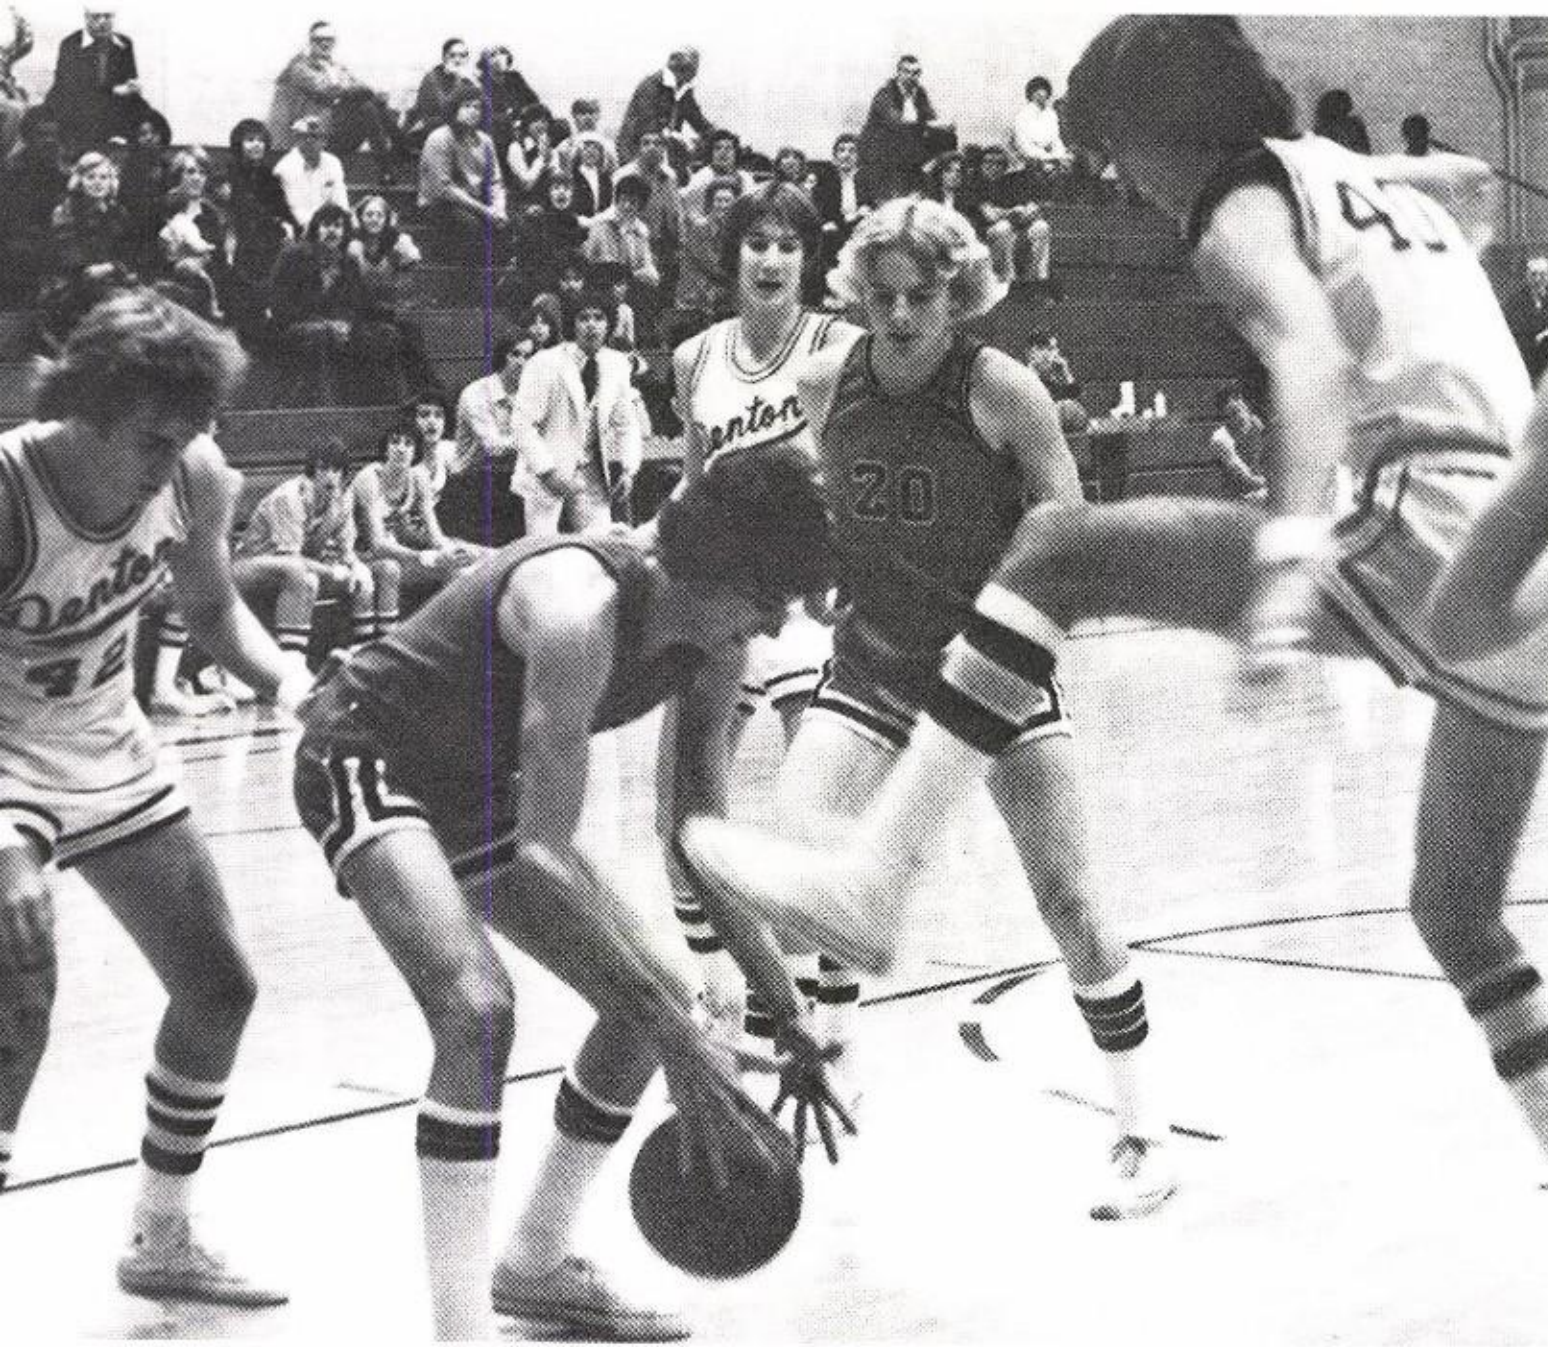

Sporting a starting lineup of Mike Behning, Chris Van Dyke, Phil Neely, Zane Wilson, and Bill McPherson, the Ponies started the season hot, and until the skid at the end of the year, were a power to be reckoned with.

Other standouts for Denton were Chris Robinson, a fine outside shooter, and David Slater, a speedy player who often found his way to the basket. Mike Behning and Barry Bridges grabbed many rebounds over the year and Chris Van Dyke's defense aided greatly. Phil Neely and Zane Wilson quarterbacked the club and should play a major role in the Broncos plans for next year.

# Varsity Girls End Season With 7-9 Record

The Varsity Basketball team finished its season with a 7-9 overall record. The young Broncos were led by junior forward Karen Kindrick, who made all-district, and sophomore forward Laura Creagh. Guard Kathy Shearer also made all-district.

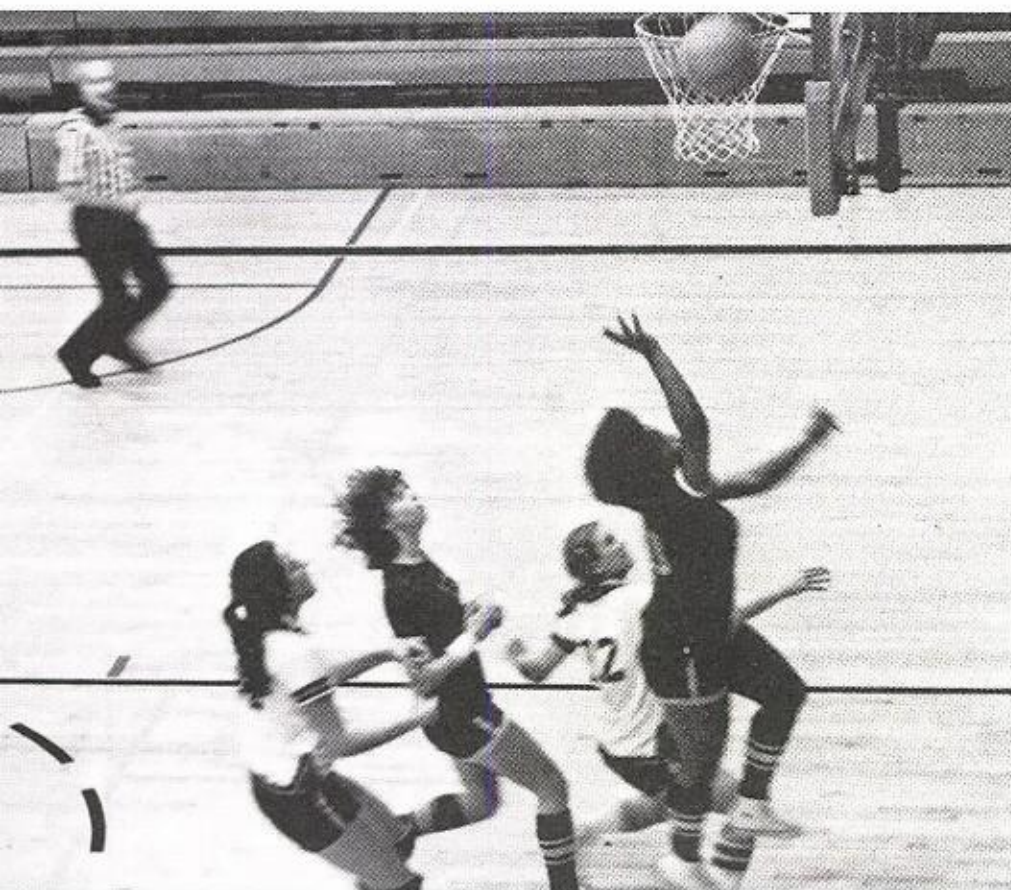

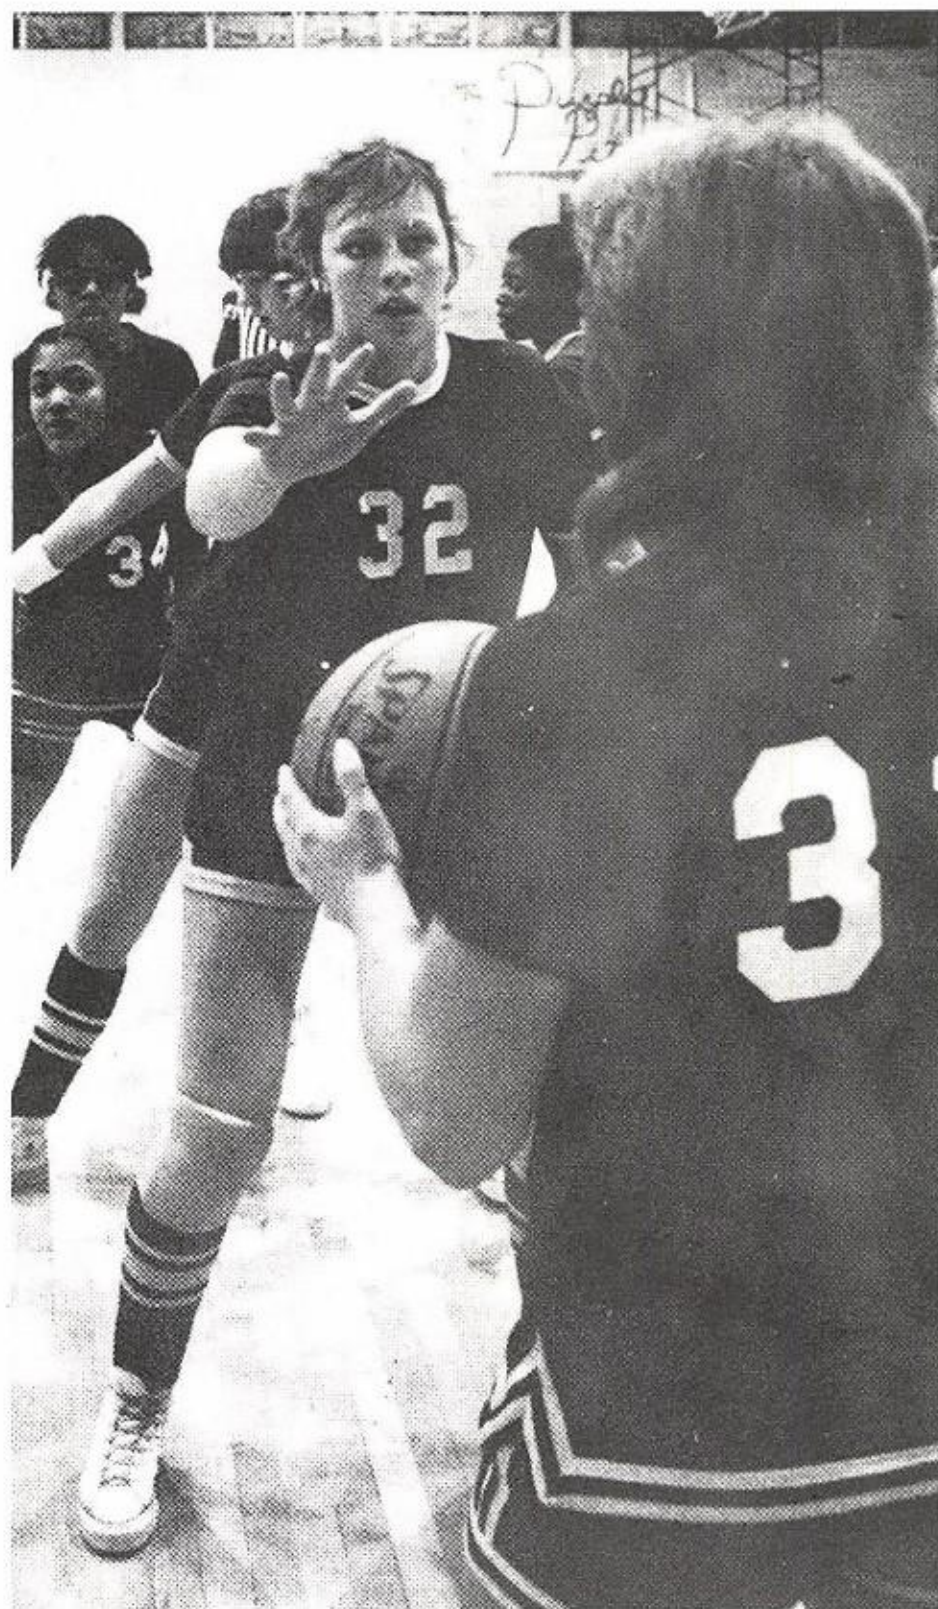

Some high points in the season came when Karen Kindrick scored 41 points against Grand Prairie High School. In a Sherman basketball game sophomore Laura Creagh had 33 points.

The Broncos opened up the season with a victory over the R. L. Turner Lions 70-65. They were beaten for the second time in a row by Lewisville's Fighting Farmers in the last game of the year, 56-27.

# Girls' Junior Varsity Finishes Season 6-10

The young Pony Junior Varsity basketball team finished the season with a 6-10 record.

The Ponies were led by sophomore Robin Fry and Cheryl Ridings. The high point in the season for Cheryl Ridings was against Lewisville when she made 26 points.

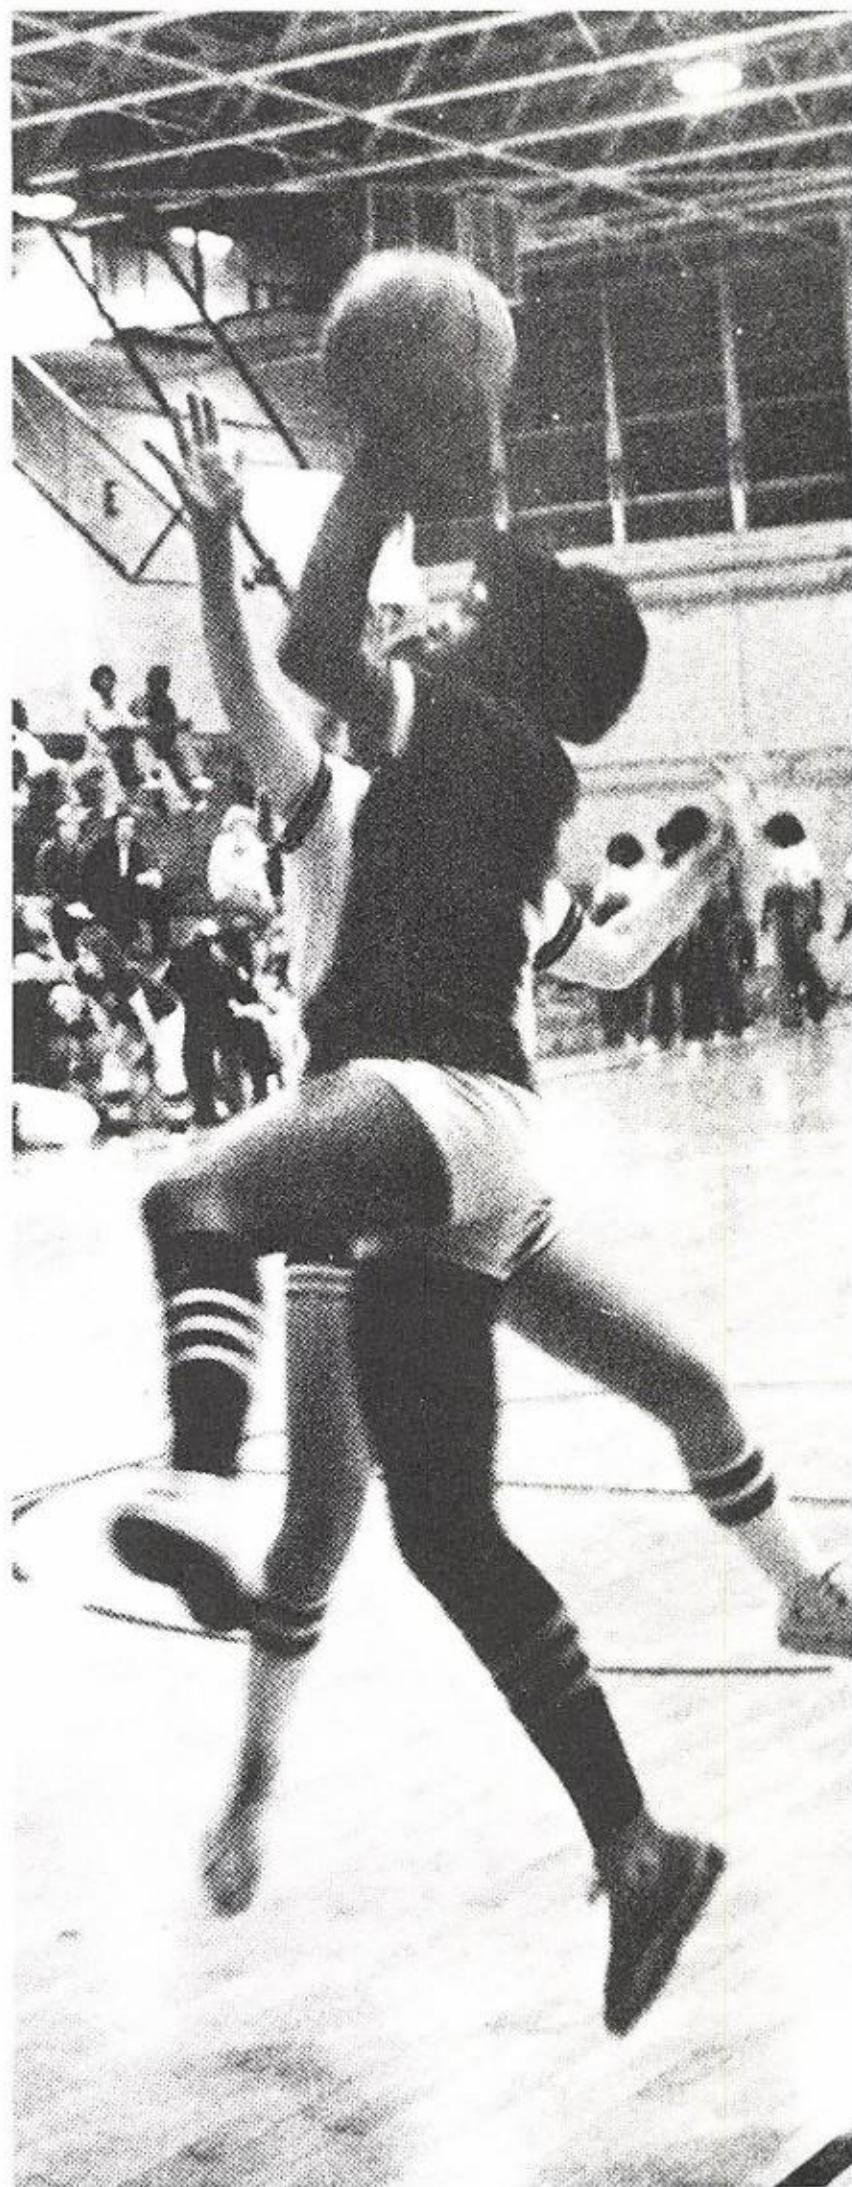

The Lewisville Junior Varsity beat the Ponies in both of the contests. The second time was a 53-25 trouncing.

Head Coach Vicki Sellers reflected on the season, "We have grown a lot as far as team support is concerned."

# How Far Do You Have to Go to "Go Away to School"?

**Some 2,455 Denton students have decided that the best place to "go away to school" is right in their own back yard.**

**At NTSU, you have your choice of 66 different undergraduate majors and a chance to explore the diversity and similarity of 17,000 other students. (Our enrollment in Fall 1976 was 17,016, making NTSU the fifth largest university in the state.)**

**So if you're interested in "going away to school," remember to look in your own back yard. You might be impressed with what you find.**

Jude Bishop and Bruce Carroll have fun in Latin Class.

Interested in the B-1? Aerospace studies? Or flying? If so, the Air Force Junior ROTC program is for you.

It includes studies in weather, space programs, flying from the "olden days" to the present, and what the aerospace industries

are all about.

Plus you'll get involved in Air Force activities and see behind the wings of the Air Force.

If you want to become a pilot, part of an aircrew, or have a career working in aerospace related fields, Junior ROTC is the place

to begin. Be concerned about your place in an aerospace-oriented world and prepare for your role in the future with AFJROTC leadership training.

If your high school offers Junior ROTC, why not look behind the wings?

**PUT IT ALL TOGETHER IN AIR FORCE ROTC.**
